LAMRIN TECH SKILLS UNIVERSITY PUNJAB

UNVERSITY SCHOOL OF ENGINEERING AND TECHNOLOGY

Ref.no: LTSU/USET/DEAN/714 (b) Date: 23/10/26

OFFICE ORDER

Strict Compliance Regarding Participation in Placement Drives – Non-Participation to be Viewed Seriously

This is to express serious displeasure and concern of the University regarding the poor participation of students in Placement Drives being organized by the Training & Placement Department.

It is observed that despite repeated intimations, circulars and personal counselling, a large number of eligible students are remaining absent / not participating in the placement drives organized on campus, off campus or in virtual mode. This casual and non-serious attitude towards your own career is highly undesirable and not acceptable.

All students are hereby informed and directed as under:

1. Participation in all placement drives for which a student is eligible is **MANDATORY.**
2. **Non-participation in placement drives will be taken very seriously.**
3. If a student does not participate in the placement drives arranged through TPO of the University, such non-participation will be considered as:
   a) The student does not want to be placed through University, OR
   b) The student is already placed on his/her own and does not require further placement assistance from the University.
4. In either case, the student will **NOT** be considered under the category of **"Non-Placed Student".**
5. Consequently, **all fee payment clauses will become applicable to all such students who do not participate in the placement drives. They will be liable to pay the full fee as per the agreement / policy.**
6. No excuse regarding non-receipt of information will be entertained. Students are directed to regularly check Official WhatsApp Groups and stay connected with the TPO.

All HoDs / TPO are directed to counsel the students & their parents and ensure 100% participation.

Executive Dean, Engg. & Tech
Lamrin Tech Skills University Punjab
