Notice

Mid-Term Internship Evaluation – B.Tech (Batch-2023) Final Year Students

All **B.Tech Batch-2023 students** are hereby informed that the internship being undertaken by them is an integral part of their curriculum. As part of the academic evaluation process, the **Mid-Term Internship Evaluation** will be conducted in the month of **September 2026, after 15th September 2026**. The evaluation will be conducted **through online mode**. All students are required to remain prepared and ensure their availability as per the schedule that will be communicated separately.

During the evaluation, students will be required to present a **PowerPoint Presentation (PPT)** covering the following:

1. **Introduction to the organization/company** where the internship is being undertaken.
2. **Details of the internship/training** completed so far.
3. **Technical knowledge, Practical exposure, Learning and skills acquired during the 7th semester**.
4. **Details of the project**, if any, undertaken or assigned during the internship.
5. **Certification : certificate completed , feedback of reporting officer.**

All these documents must be mailed on or before 18 Sept, 2026 to your class advisor.

All students are advised to prepare their PPT and supporting material in advance and be fully prepared for the online evaluation.

Important Instructions

- **Attendance in the Mid-Term Internship Evaluation is mandatory for all students.**
- Students must ensure their availability on the scheduled date and time with a **proper internet connection, laptop/desktop, and prepared PPT**.
- **Any student who fails to appear for the Mid-Term Internship Evaluation without a valid and officially approved reason will be marked absent for the relevant academic evaluation, as per University rules and** may adversely affect the student's academic record and internship evaluation.

All students are directed to take note of the above and ensure strict compliance.

Monika.

Training and Placement Co-ordinator,
USET
