LAMRIN TECH SKILLS UNIVERSITY PUNJAB

UNIVERSITY SCHOOL OF ENGINEERING & TECHNOLOGY

Ref. No. LTSU/USET/DEAN/593(C) Date: 10/04/2026

Notice

Subject: Warning Regarding Irregular Attendance and Lack of Participation in Training Program

It has come to the notice of the University that, despite arranging a professional training program at QSpiders, Noida on Batch-2023 students' request for skill enhancement and placement readiness, a significant number of students are not demonstrating the required seriousness and commitment. Many students are irregular in attending the training sessions and are not participating in the scheduled mock sessions, which are a crucial part of the training and preparation process. Such an attitude is highly disappointing and unacceptable.

All students are hereby strictly informed that:

- Regular attendance in all training sessions is mandatory.
- Active participation, including attendance in mock sessions, is compulsory.
- Students must maintain discipline, punctuality, and professionalism throughout the program.

Failure to comply will result in disciplinary action, and the University will not be responsible for internships or placements. The training program for such students may also be discontinued if such behavior continues.

It has also come to our notice that some students have started internships or training programs without obtaining prior approval or informing the University. This is a serious violation of University guidelines and may result in disciplinary action. All such students are hereby directed to inform the Placement Coordinator/HOD of University about their ongoing internship/training on or before 13th April, 2026, failing which strict action will be taken.

All students are advised to treat this notice seriously and ensure immediate improvement in their attendance, participation, and conduct.

Training Co-Coordinator

HOD, USET
