LAMRIN TECH SKILLS UNIVERSITY PUNJAB

UNIVERSITY SCHOOL OF ENGINEERING & TECHNOLOGY

Ref. No. LTSU|HOD|26|99A

Dated: 09/07/2026

NOTICE

Subject: Poor Participation in QSpiders Noida In-House Placement Drive

This is to inform all B.Tech and MCA students undergoing training at **QSpiders, Noida** that an **In-House Placement Drive** was organized on **08 July 2026** for the following profiles:

- Solution Consultant (Internship)
- Technical Trainer (Associate Software Engineer)
- Talent Acquisition Lead (Associate Software Engineer)
- Trainee Analyst (Associate Software Engineer)

The students were informed well in advance regarding the placement drive and were expected to participate. However, it is **highly disappointing** that **only 5 students appeared for the interview out of 69 eligible students**. Such an indifferent attitude towards placement opportunities is unacceptable.
The following students attended the interview:

Sr. No.	Name	Course
1	Shivam Tomar	Software Testing
2	Ramandeep Kaur	Data Analyst
3	Manisha	Java Full Stack
4	Vishnu	Data Science
5	Amit Sharma	Python Full Stack

The University sincerely appreciates the above students for demonstrating professionalism and taking advantage of this valuable opportunity.

It is important to understand that such placement drives provide students with **industry exposure, interview experience, potential internship and employment offers** in their respective domains. Ignoring these opportunities reflects a lack of seriousness towards career development and the training program. **Non-participation without a valid reason will be viewed seriously by the University. Such conduct may adversely affect the student's training evaluation, placement support, departmental recommendations, and overall academic record wherever applicable under university guidelines.**

All students are, therefore, directed to maintain professional discipline and actively participate in every future training activity, assessment, and placement drive. **No excuses for non-participation will be entertained unless supported by prior approval or genuine documented reasons. As conveyed continuous absence from internship/placement drive will lead to disqualification from such opportunities, so be serious and grab the opportunities provide to you all.**
For strict compliance.

Dean, USET
