NOTICE

Advanced Classes for Advanced Learners

All concerned students are hereby informed that advanced classes will be conducted for advanced learners to enhance their subject knowledge, strengthen their analytical and problem-solving skills, and encourage academic excellence.

These classes will focus on advanced concepts, practical applications, challenging problem-solving activities, skill enhancement, and exposure to industry-oriented topics beyond the regular classroom curriculum.

The concerned students are required to meet the respective faculty members from **2:00 PM to 4:00 PM on Wednesday and Friday.**

All concerned students are advised to attend these classes regularly, actively participate in the learning activities, and make the best use of this opportunity to further enhance their knowledge and skills.
