Ms. Monika

EDITOR'S NOTE

This session marked a significant leap in our industry-academia collaborations with IBM and L&T SME sessions.

MAIN FEATURE

ISTE Student Chapter

Launch of the ISTE Student Chapter at Lamrin Tech Skills University Punjab marked a significant milestone on February 12, 2025. Inaugurated in the presence of ISTE Executive Secretary Dr. S.M. Ali and university leadership, the initiative aims to foster innovation, professional growth, and leadership development while creating new opportunities for engineering students to engage in collaborative learning and excellence.

VIEW EVENT HIGHLIGHTS

INDUSTRY IMMERSION

Python Programming Workshop

From 4–7 May 2025, an IBM-led Python training by Lavish Arora equipped students with essential placement-focused technical skills.

Workshop On PLC & SCADA

On April 29, 2025, USET and Wonder Automation conducted a PLC & SCADA workshop, providing students practical industrial automation experience.

CorelDRAW Workshop

From April 8–10, a CorelDRAW workshop at LTSU empowered students with design skills through expert guidance and insights.

CAMPUS VIBRANCY

National Science Day

LTSU celebrated National Science Day 2025 with an inspiring expert talk by Dr. Rupinder Kaur of IIT Ropar, emphasizing research excellence, innovation, and youth-led scientific leadership for a Viksit Bharat.

Visit from Padmashri Shri A.S. Kiran Kumar

Padmashri A.S. Kiran Kumar inspires students with space technology insights.

Five Day Bootcamp

B.Tech CSE IBM students completed a transformative bootcamp focused on innovation, skill development, collaboration, and problem-solving.

PROF. (DR.) H P S DHAMI

EXECUTIVE DEAN, SCHOOL OF ENGINEERING AND TECHNOLOGY

I am extremely proud of the rapid progression and milestones achieved by our School of Engineering and Technology. By integrating advanced laboratories and hands-on bootcamps into our academic structure, we have transitioned traditional engineering studies into active experiential practice. Our department continues to foster cutting-edge research, industry-led specializations, and a culture of continuous learning. Together, our faculty and students are building the technical foundation for future-ready innovators.

PROF. (DR.) V.K. SAINI

DEPUTY DEAN, SCHOOL OF ENGINEERING AND TECHNOLOGY

Our department's focus remains on bridging classroom fundamentals with active industrial systems and applications. Through workshops on automation, IoT, and core engineering workflows, we ensure our students are well-prepared for real-world technical challenges. Our faculty and student initiatives drive academic excellence, pushing our department to rank among the region's leading hubs for project-led learning.

PROF. MEENAKSHI SHARMA

HOD, USET

Within our computer science and engineering department, we strive to build a strong community of thinkers, coders, and makers. From competitive hackathons to bootcamps led by our industry industry partners, our students demonstrate technical ingenuity and passion. We continue to elevate our academic delivery standards, supporting every student's journey towards engineering excellence.

INDUSTRY PARTNER

Message from *IBM Leadership*

IBM

"As the industry partner for the B.Tech CSE program at Lamrin Tech Skills University Punjab, IBM is deeply committed to empowering the next generation of engineers with industry-aligned skillsets. Our collaboration focuses on integrating advanced cyber security, artificial intelligence, and software development methodologies directly into the curriculum. We are proud to see the students of USET apply their knowledge in real-world scenarios, hackathons, and innovative projects. This chronicle is a showcase of their growing expertise, passion, and collaborative achievements."

Message from *L&T EduTech Leadership*

L&T EDUTECH

At L&T EduTech, we believe that the future belongs to engineers who are equipped with both strong academic foundations and industry-ready skills. Our collaboration with Lamrin Tech Skills University Punjab continues to create meaningful learning experiences for students across Mechanical, Electrical, Electronics, and Computer Science Engineering. Through industry-integrated curricula, expert-led sessions, hands-on projects, and real-world problem-solving, we are preparing students to meet the evolving demands of Industry 4.0.

This partnership reflects a shared commitment to bridging the gap between academia and industry by fostering innovation, technical excellence, and employability. Together, L&T EduTech and Lamrin Tech Skills University Punjab are shaping future-ready professionals and building tomorrow's engineering leaders.

★ NEW BEGINNINGS ★

The *Induction Program*

The Spotlight
SPEECH OF MOTIVATION

A Vibrant start for new session

On January 21, 2025, the B.Tech. students of USET participated in their induction session, which was graced by Dean Dr. H.P.S. Dhami, Deputy Dean Dr. V.K. Saini, and HOD Ms. Meenakshi Sharma. The session served as a warm welcome for the new students as they embarked on their academic journey.

> *"Addressing the gathering, the Dean commended the students for their outstanding academic achievements and encouraged them to maintain their dedication and strive for even greater success in the years ahead. The session inspired students to embrace new opportunities and work towards excellence in both academics and personal growth."*
>
> — LEADERSHIP ADDRESS

THE VIBE

The faculty members and dignitaries also motivated the students to approach their new academic journey with confidence, curiosity, and determination. They emphasized the importance of continuous learning, innovation, and perseverance in achieving personal and professional goals. Encouraging students to make the most of the opportunities available at USET.

Industry *Immersions*

BRIDGING THE GAP BETWEEN CAMPUS & CORPORATE

Hands-on Sessions

Big Data, AR-VR Bootcamps

USET successfully conducted a five-day bootcamp on **Big Data and AR-VR technologies** for **B.Tech CSE IBM Batch 2024** students in collaboration with **LTSU and NIELIT** from **January 21–27, 2025**. The program focused on practical learning, innovation, and collaborative problem-solving. Through hands-on sessions and comprehensive learning materials, students enhanced their technical skills, analytical thinking, and readiness for future industry challenges.

Tech Excellence

Python Programming Workshop

USET successfully conducted a four-day Python Programming training program from 4–7 May 2025 under the **IBM-led** training initiative for **B.Tech CSE Batch 2024** with a total participation strength of **250+ students**. The sessions were led by Mr. Lavish Arora, an experienced corporate trainer, and focused on building strong programming foundations and industry-relevant coding skills. Through practical exercises and placement-oriented learning, students enhanced their technical competence, problem-solving abilities, and readiness for professional careers in the technology sector.

Hands-on workshop

PLC & SCADA Workshop

USET, in collaboration with Wonder Automation, conducted a hands-on PLC & SCADA workshop on **April 29, 2025**. The program introduced students to key concepts of industrial automation, control systems, and real-time process monitoring.

Through live demonstrations and interactive sessions, students gained practical exposure to modern automation

IBM EXCELLENCE RECOGNITION

USET Receives Prestigious Accolade from IBM

The University School of Engineering and Technology, Lamrin Tech Skills University Punjab, has been proudly recognized by IBM—our esteemed industry partner—for excellence in admissions quality, academic input, delivery standards, and project-based learning. This prestigious trophy stands as a testament to the relentless dedication of USET's students and faculty in driving innovation and academic excellence.

- *Project-Based Learning & Quality Inputs*

ISTE STUDENT CHAPTER ESTABLISHMENT

ISTE Student Chapter

We are excited to announce the launch of the ISTE Student Chapter at Lamrin Tech Skills University Punjab on 12th February 2025! This milestone event, graced by ISTE Executive Secretary Dr. S.M. Ali and senior university leadership, opens new avenues for innovation, collaboration, and excellence in engineering. The chapter promises to empower students with transformative learning and leadership opportunities.

> *Transforming education through professional society collaboration.*

FEB 28
SCIENCE DAY

NATIONAL SCIENCE DAY CELEBRATION

National Science Day

LTSU proudly celebrated National Science Day on Feb 28, 2025, with the theme "Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat." The event focused on building skills for innovation and employment. Dr. Rupinder Kaur from IIT Ropar delivered an inspiring talk on "Understanding Journal Metrics," highlighting the key role of young researchers.

- *Speaker: Dr. Rupinder Kaur (IIT Ropar)*

National Level Hackathon

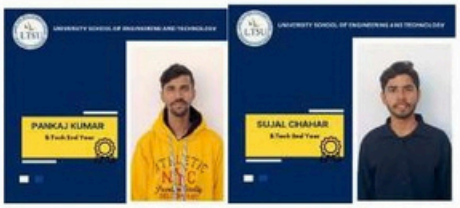
Code Crafter 2.0: clinching 2nd Prize for Best Innovation

Students from USET, LTSU Punjab, showcased their talent at Code Crafter 2.0—a 24-hour National Hackathon held on April 10–11, 2025, at CT University, Ludhiana, sponsored by IBM.

We are proud to share that our team ranked among the **Top 15 Finalists** and clinched the **2nd Prize for Best Innovation**! 🏆 Congratulations to Harsh Yadav, Harshvardhan (CSE AI&ML, 2nd Year), Mehakpreet Kaur, and Amandeep Kaur (CSE Cybersecurity, 1st Year)!

HACKEREARTH CHALLENGE

Outlier Onsite Hackathon



Congratulations to **Sujal Chahar** and **Pankaj Kumar** from USET, Lamrin Tech Skills University Punjab, for being shortlisted for the prestigious Outlier Onsite Hackathon by HackerEarth!

Their stellar performance in the Outlier Screening Test secured them a spot in the next round of this top-tier recruitment and innovation challenge.

NATIONAL LEVEL HACKATHON

GNA University Hackathon

Teams from USET, Lamrin Tech Skills University Punjab, showcased their innovation at the GNA University Hackathon on 29–30 March 2025. First and second-year students addressed real-world challenges in disaster management, cybersecurity, and medical data science.

Our teams **ResQnova**, **Path-Finders**, **The Oracles**, and **Rise** stood out with their creativity under expert mentorship, while a GitHub workshop boosted their coding and collaboration skills.

VAIBHAV'S EXPERT LECTURES

Cyber Security Expert Lecture

The University School of Engineering and Technology (USET), LTSU proudly congratulates **Dr. Vaibhav Pundir**, esteemed faculty member, for delivering an expert lecture on "Cybercrime and Cyber Security: A Growing Concern" at Rayat College of Education on June 6, 2025. The session highlighted the growing challenges posed by cyber threats and provided valuable insights into safeguarding digital information in today's interconnected world.

ISRO Expertise

On March 6, 2025, Lamrin Tech Skills University Punjab proudly hosted Padmashri **Shri A.S. Kiran Kumar**, former Secretary, DOS/Member, Space Commission (ISRO), for an inspiring session on Space Exploration and Technology. Students engaged in dynamic discussions, showcasing innovative projects that impressed the esteemed guest. Shri Kiran Kumar applauded their creativity, curiosity, and technical brilliance.

Inter-University *Competitions*

COMPETING. EXCELLING. LEADING.

INTER-UNIVERSITY COMPETITION

APEXATHON'25: Clinching Rank 1

Our B.Tech CSE 2nd year students Anas Chouhan, Saurabh Singh, and Abhinav Kashyap clinched Rank 1 at APEXATHON'25, held at Chandigarh University on 10–11 April, outshining around 300 teams from top institutions across the nation! They impressed the SAS jury by defining a problem, building an AI model, and presenting their solution in a 24-hour challenge—earning **₹10,000** and a prestigious **₹15 lakh SAS Global Scholarship**.

CULTURAL FESTIVAL

VIRASAT 1.0: 1st Runner-Up

Students from USET, LTSU Punjab, shone at @VIRASAT 1.0 – Inter-College Cultural Festival at Indus International University, HP, securing 1st RUNNER-UP with **21 medals (5 Gold, 7 Silver, 9 Bronze)**! Special kudos to Vaibhav, Chakka Hemanth, Manish Yadav, K. Santosh Reddy, Khushi Gandhi, Prince Aanand, Puja Kumari, Rahul Rawat, Alok Kumar Singh, and the team for their stellar performances!

CHITKARA UNIVERSITY

INNOVISION '25

Our first-year IBM B.Tech. CSE students secured an impressive 2nd position at INNOVISION '25. Their project, "Automating Data Entry and Analysis with OCR", using computer vision to digitize documents. Kudos to Team Leader Chakka Hemanth, Aahana, and Ankit Pandey!

ENTREPRENEURIAL MINDSET

Shark Tank Champions

A big congratulations to Khushi Gandhi, Rajveer Kushwaha, Himanshu Kushwaha, and Khushi Kumari of Btech CSE Batch 2023 for emerging as the Shark Tank Champions at Yuva Kaushal Utsav! Their strategy and mindset set a new benchmark.

ISTE NATIONAL CONVENTION

Project & Poster Exhibition

During the ISTE National Annual Convention and Yuva Kaushal Utsav, students from LTSU Punjab and across India showcased groundbreaking ideas through innovative projects and posters celebrating research and real-world impact.

FEATURING CRICKET

Cricket Excellence

LTSU | 2025

Friendly Cricket match On April 26, 2025, the LTSU Main Ground came alive with excitement as the B.Tech 2023 and 2024 batches faced off in a thrilling friendly cricket match organized by USET. The event showcased outstanding talent, sportsmanship, and enthusiasm from both teams, making it a memorable day for everyone present..

Who lifts the Cup!

CHAMPIONS! | 23 BATCH

Delivering an impressive all-round performance, the 2023 batch emerged victorious and claimed the win. A special round of applause goes to ⭐ Surinder Kumar (Data Science), whose exceptional contribution earned him the well-deserved Man of the Match title.

TALENT & FUN

TECH MEMES COMPETITION at USET LTSU

On **The Creative Nexus (Technical) Club of USET organized the Tech Meme Competition 2025, titled "404: Seriousness Not Found," blending humor with tech creativity. Students turned everyday tech struggles into viral-worthy memes. Congratulations to the winners: 1st – Sarthak Mantri, 2nd – Sarvamm Pratap Singh Rathore, 3rd – Anamul Haq!**

Innovation & *Patents*

PIONEERING RESEARCH. CERTIFIED EXCELLENCE.

Patent Registration

Hybrid Quantum Error Correction Device

Prof. Aruna Bhatia has been awarded the Certification of Registration of Design by the Patent Office, Government of India, for her innovative **Hybrid Quantum Error Correction Device**.

This prestigious recognition celebrates her creative contribution to quantum technology and marks a significant milestone in her academic journey and our university's research path.

PATENT REGISTRATION

Automatic Hand Sanitizer System

Congratulations to Ms. Monika, faculty at the University School of Engineering and Technology, LTSU Punjab, for successfully registering her design with the Patent Office, Government of India!

Her innovative, low-cost automatic hand sanitizer system—crafted using repurposed RO components—promotes accessible, sustainable, and touchless hygiene in public spaces.

CAMPUS AMBASSADOR PROGRAM

Innovation Mission Punjab

LTSU proudly hosted the IMPunjab team on January 30, 2025, where B.Tech students actively participated in the Campus Ambassador Program – Batch 2.

We're thrilled to announce that **Ayush Pandey** (1st Prize in Treasure Hunt!), **Surya Gupta**, and **Yashpal Singh** from CSE 2nd year (IBM) have been selected as LTSU Campus Ambassadors to foster innovation and entrepreneurship on campus.

FACULTY COORDINATOR
Prof. Wakeel Ahmed Bhatt

STUDENT COORDINATORS
Aaditya Kumar, Tabinda Naseem, Ayush Kumar Jha, Nandini Jaishree, Manish, Hemanth, Sheikh Masood Ahmed, Shivam, Anshuman, Vipul, Deepak, Bhupesh

VISION & DESCRIPTION

The DevNest Technical Club envisions creating a dynamic and inclusive technical community that inspires innovation, nurtures future technology leaders, and empowers students with the knowledge, skills, and confidence to solve real-world challenges. We foster a culture of continuous learning, creativity, collaboration, and technological excellence, enabling students to make meaningful contributions to the rapidly evolving digital world.

CORE OBJECTIVES

DevNest is dedicated to providing students a robust platform to enhance their technical knowledge and practical skills through workshops, hackathons, coding competitions, seminars, and project-based learning. The club bridges academic concepts with industry requirements by encouraging innovation, research, and collaborative problem-solving, while building essential team synergy and professional capability.

KEY INITIATIVES & FLAGSHIPS

DevNest actively organizes technical workshops, coding contests, and guest lectures. Flagship events include:

- **Guest Lectures:** Industry insights on emerging tech and career trends.
- **Promptathon:** AI prompting competitions using generative tools.
- **DataDash:** Challenges focused on data analytics and visual analysis.

Assistant Professor

FACULTY CO-COORD.
Brahmjot Kaur
Assistant Professor

STUDENT COORDINATOR
Manish Yadav
Cyber Security 2024 (Roll: 24100030032)

VISION & DESCRIPTION

VIVIDH is the digital voice of USET, dedicated to capturing and sharing our school's vibrant academic, research, and extra-curricular life. The club manages and amplifies USET's digital presence across platforms such as YouTube, Instagram, X (Twitter), Facebook, and LinkedIn. It serves as a creative playground for student content creators, graphic designers, photographers, videographers, and copywriters.

CORE FOCUS AREAS

The club organizes workshops and hands-on drills in photography, videography, audio capture, and editing tools to prepare students for modern media creation. Key initiatives focus on real-time event coverage, social media marketing campaigns, branding strategies, visual storytelling, and digital public relations.

KEY ACTIVITIES & INITIATIVES

VIVIDH actively plans and coordinates visual coverage for major college events, workshops, guest lectures, and student achievements. The club acts as a bridge, connecting classrooms with the outside world through curated newsletters, campus stories, and highlights.

★ CONNECTING MINDS, SHARING STORIES, BUILDING COMMUNITY ★

BRIEF DESCRIPTION

The Student Welfare Club is committed to promoting the holistic development, well-being, and leadership of students through meaningful academic, social, and community engagement activities. The club organizes awareness campaigns, volunteer initiatives, educational visits, expert lectures, career guidance sessions, and competitions that enhance teamwork, communication, and social responsibility.

VISION & MISSION

It aims to nurture confident, compassionate, and responsible individuals who contribute positively to society while fostering an inclusive, safe, and supportive campus environment. The club actively supports student advocacy, physical and mental well-being, and acts as a central hub for student coordination, growth, and feedback mechanisms.

KEY INITIATIVES

Through structured volunteer projects, health drives, peer counseling, and soft skills training sessions, the Welfare Club strives to enrich the campus community and cultivate the leaders of tomorrow.

★ FOSTERING A SUPPORTIVE, COMPASSIONATE & INCLUSIVE CAMPUS ★

USET CLUB PROFILE

Grievance *Club*

CLUB LEADERSHIP

FACULTY COORDINATOR

Prof. Manju Goel
Assistant Professor, USET

STUDENT COORDINATORS

Amit Kumar Sah, Mehakpreet Kaur, Sharanpreet Kaur, Mehak Suman, Abhijeet Kumar Mandal, Aditya Raj, Arun

DESCRIPTION & VISION

The Grievance Club is a student-led platform that provides a safe and confidential space for students to share concerns and seek fair resolutions. The club promotes open communication, supports student well-being, and works with the university to create a transparent, inclusive, and respectful campus environment where every voice is respected, every concern is addressed fairly, and open communication strengthens trust, equality, and the overall well-being of the university community.

CORE OBJECTIVES

- Provide a safe and confidential grievance redressal platform.
- Encourage students to raise concerns without fear of reprisal.
- Foster transparency, fairness, and accountability within the university ecosystem.

KEY ACTIVITIES

- Collect and review student grievances confidentially.
- Organize awareness campaigns and interactive sessions.
- Coordinate with university departments to resolve issues promptly and fairly.

★ WHERE EVERY VOICE MATTERS AND EVERY CONCERN COUNTS ★

USET CLUB PROFILE

Eco-Essence *Club*

CLUB LEADERSHIP

FACULTY COORDINATOR
Dr. Jayishnu Singla

FACULTY CO-COORD.
Mr. Shubham Sharma

STUDENT COORDINATOR
K. Santhosh Reddy

BRIEF DESCRIPTION

The Eco-Essence Club promotes environmental sustainability, ecological awareness, and responsible citizenship among students. Through plantation drives, cleanliness campaigns, biodiversity conservation activities, sustainability workshops, environmental awareness programmes, and initiatives such as the Green Holiday Challenge, the club encourages students to adopt eco-friendly practices and become active stewards of the environment.

VISION & MISSION

Its vision is to cultivate environmentally conscious leaders committed to building a greener, cleaner, and more sustainable future. By hosting waste segregation awareness camps, water conservation projects, and dynamic campus eco-challenges, the club drives sustainable behavior across the university.

COMMUNITY FOCUS

Through regular volunteering drives in neighboring villages and schools, Eco-Essence raises ecological values, encouraging green responsibility beyond the immediate campus gates.

★ ACTIVELY STEWARDING A GREENER & CLEANER ENVIRONMENT ★

USET CLUB PROFILE

NSS USET *Unit*

CLUB LEADERSHIP

FACULTY COORDINATOR
Mr. Shubham Sharma

VISION & MISSION

The National Service Scheme (NSS) USET Unit is dedicated to instilling social consciousness and community service ideals in B.Tech students. Guided by the motto "Not Me But You", the NSS unit engages volunteers in social work, disaster management support, tree-plantation campaigns, blood donation drives, and village adoption projects.

CORE FOCUS AREAS

- Community Service & Village Adoption Rallies
- Environmental Protection & Tree Plantations
- Health Awareness Campaigns & Blood Donation Drives
- Civic Education & Youth Leadership Camps

SIGNATURE INITIATIVES

Active involvement in local medical camps, blood donation drives, and hygiene workshops in adopted neighboring villages, driving a strong culture of social welfare and public accountability among student engineers.

★ FOSTERING SELFLESS SERVICE & SOCIAL DEVELOPMENT ★
