- Develop Block G as the hub for Education and Liberal Arts.
- Upgrade labs, studios (for Fine Arts, Music), and digital learning spaces.
- Enhance accessibility and green campus initiatives.

**4. Industry Linkages & Employability:**

- Collaborate with corporates for internships, placements, and skill training.
- Launch entrepreneurship incubation programs.

**5. Community Engagement:**

Outreach programs in schools, focusing on skill development and arts.

- Promote cultural festivals, seminars, and global exchange programs.

# LAMRIN TECH SKILLS UNIVERSITY PUNJAB

## Implementation Strategy

- Governance: Dean of each school reports to the Vice Chancellor; regular reviews.
- Resources: Allocate budget for infrastructure, faculty hiring, and research grants.
- Partnerships: Tie-ups with industries, NGOs, and international universities.
- Monitoring: Set KPIs for schools, track progress bi-annually.

## Short-term Goals (1-2 years)

- Operationalize the School of Education and Liberal Arts.
- Launch 2-3 new skill-oriented programs.
- Host a national conference on "Tech meets Liberal Arts".

## Long-term Goals (3-5 years)

- Achieve NAAC and NIRF accreditation.
- Expand international collaborations.
- Establish a startup incubation center.

## Assumptions & Support

- Adequate government and industry funding.
- Support from faculty and stakeholders for innovation
