Subject: Request for Rescheduling of Virtual Meeting and Fresh Dates for Inspection

Respected Sir,

With reference to your letter No. 8/4/2022 (CPP-/PU) dated 08 March 2022. I would like to state that the University is submitting detailed information in the prescribed format along with all supporting documents.

As per our earlier communication vide letter No. LTSU/RG/2025/228 dated 15.10.2025, wherein we requested permission to submit the revised information regarding the University's legal status, organizational structure, academic activities, student enrolment, admission process, fee structure, financial viability, faculty, and governance system, we are now submitting the revised information accordingly.

All the documents in the prescribed format provided by UGC have also been uploaded on the University website **ltsu.ac.in** (https://www.ltsu.ac.in/mandatory-disclosure) to ensure that the information is accessible to students and the general public.

You are requested to kindly depute an expert committee for an on-the-spot assessment of the infrastructure and other facilities available at the University.

The University is committed to fulfilling all criteria related to performance, facilities, infrastructure, activities, financial viability, etc., as prescribed by the UGC and other concerned statutory bodies from time to time.

We assure you that we will comply with the provisions of the various UGC regulations and adhere to the suggestions provided by the UGC Expert Committee.

Thanking you.

Yours faithfully,

28/11/2025

Its main focus is to impart skill education and to align youth with emerging national and international job requirements. So far, all the efforts have been made to impart knowledge in the area of future skills and future technologies. • Because of its strong emphasis on developing hands-on skills, the university has yet to place significant focus on research. • While three years is a relatively short time to showcase significant research outcomes, our faculty—supported by the university—have nonetheless pursued research endeavors. •The University has an ambitious plan to initiate research in collaboration with industry in near future. Output of the same will be visible after some time. For details refer **Annexure 12.1**

		1. **Yuva Kaushal Utsav** – 24th & 25th November 2023 Lamrin Tech Skills University (LTSU) Punjab successfully hosted the Yuva Kaushal Utsav, a national-level event held on 24th and 25th November 2023. The event featured: (a) **Skill Summit** A high-level summit that brought together Vice Chancellors from leading universities across Haryana, Rajasthan, Himachal Pradesh, and Punjab, alongside senior officials from the Ministry of Skill Development & Entrepreneurship, National Skill Development Corporation, industry leaders, and representatives from Sector Skill Councils. (b) **Skill and Cultural Competitions** A vibrant showcase of talent through technical, literary, and cultural competitions. Institutions from across India—including Skill Universities, ITIs, Pharmacy Colleges, Engineering and Polytechnic Institutes, Degree Colleges, and Schools—actively participated. The event witnessed enthusiastic participation from over 3,500 students nationwide. 2. **70th Senior National Kabaddi Championship for Women** Lamrin Tech Skills University (LTSU) Punjab proudly hosted the 70th Senior National Kabaddi Championship for Women, held from 10th to 13th December 2023. This prestigious event was organized in Punjab for the first time, in collaboration with the Amateur Kabaddi Federation of India (AKFI). A total of 27

		transforming the education ecosystem through emerging technologies, advanced skill development, and futuristic learning models. Key highlights included the Vice Chancellors' Conclave, Educators' and Faculty Conclaves, national-level hackathons, ideathons, and skill competitions, all aimed at equipping youth with industry-relevant expertise. The event also celebrated India's rich cultural heritage, featuring vibrant state-wise performances that fostered unity and national pride. By bringing together academia, industry leaders, and students, the convention created a dynamic platform for collaborative progress. **6. Conclave on "Vision 2047**: The Role of Aerospace Technology and Cyber Security in Critical Installations."Lamrin Tech Skills University (LTSU) Punjab had the privilege of hosting a high-impact conclave on "Vision 2047: The Role of Aerospace Technology and Cyber Security in Critical Installations." The event was distinguished by a keynote address from Padma Shri Dr. A. S. Kiran Kumar, Former Secretary, Department of Space, and Member of the Space Commission (ISRO). Dr. Kumar captivated the audience with his profound insights into India's ambitious space exploration programs and highlighted the strategic role of aerospace technology and cybersecurity in strengthening national infrastructure. The conclave underscored the importance of innovation and indigenous technological solutions as critical drivers for securing India's future and

16. Strength and Weaknesses of the University

16.1	Strengths of the University	1. **Industry-led University Model** • LTSU is explicitly "industry-led": it's incubated by IBM, as major industry partners. This means that curriculum design, training, and course structure are strongly aligned with what real-world tech companies need. Students are exposed to live projects, internships, and potentially on-job deployment: for instance, their B.Tech program is structured with 2.5 years of core study, 0.5 years of live projects, and 1 year of on-the-job deployment.

		2 **Diverse & Future-Oriented Academic Framework** LTSU doesn't just focus on traditional degrees — we have a skilling-framework that includes vocational training, diplomas, certificates, re-skilling, etc. Multiple "Centers of Excellence" (CoEs): these are designed for professional certifications, specialized training, and emerging technology areas. LTSU also emphasize entrepreneurship: there's a School of Innovation & Startups to support social entrepreneurship, innovation, and new ventures. Language & global exposure: there is a "School of Languages & Culture" where students can learn foreign languages (French, German, Japanese, Mandarin, etc.) and also get culturally rounded education. 3 **Strong Infrastructure & Campus** The campus is quite large (around 80–100 acres, depending on sources) with a scenic location near the foothills of the Shivalik range by the Sutlej River. Classrooms are technologically upgraded (Wi-Fi, projectors), multiple seminar halls, fully equipped auditoriums, and tutorial rooms. Library: audio-visual resource center, access to both physical and digital academic material. Sustainability efforts: eco-friendly campus with solar heating, rainwater harvesting, paper-recycling, etc. Security & student safety: CCTV-enabled campus. Student amenities: hostels, gym, parking, medical facility. Skill Development & Employability Focus Because of its "skills university" model, LTSU places a lot of emphasis on making students job-ready. Their academic-skilling structure ensures students don't just study theory — they are trained in professional roles through diplomas or certificates, or re-skilling programs. They have a "School of Employability Enhancement, Up-Skilling & Re-Skilling" that manages placement support, global

		collaborations, and career planning. The collaboration with IBM and other industry players helps ensure that students are learning the most relevant, in-demand technologies. 5 **Credibility & Recognition** LTSU is established by the Government of Punjab (Punjab State Act No. 22 of 2021), giving it formal legitimacy. •It is recognized by UGC. has NCVET approval for dual degree awards 6 **Wide Program Offering** It offers a broad range of programs: B.Tech (various specializations), M.Tech, BBA, MBA, BCA, MCA, Pharmacy (BPharm, MPharm), diploma programs, and even certificate courses. Because of this variety, students from different academic backgrounds (10th, 12th, ITI, diploma holders) have entry paths via different "Centers" (CoST, CoVETS, etc.). There is also a School of Research & Development in Skilling, meaning research and innovation are part of the mission. 7.**Global + International Exposure** The curriculum and certifications are designed in collaboration with industry leaders, which gives global relevance. There is a "School of International Qualifications" — students can earn internationally valid certifications. 8 **Financial & Supportive Policies** According to news, LTSU has options like skill educational loans; for example, through some financial companies to support students financially. The university emphasizes that fees should not become a barrier for meritorious but financially modest students. Some courses are structured so that students pay a part of the fee only after placement. **9.Research & Innovation Culture** With dedicated centers for research (School of Research & Development in Skilling) and CoEs, LTSU encourages

		students and faculty to engage in research, innovation, and projects. The industry partnerships also help in setting up laboratories, labs for high-end tech, and project-based learning. 10. **Location Advantage** • The campus is in a scenic and somewhat tranquil location (Shivalik foothills, near Satluj River) — which may provide a good environment for study and reflection. • Being near Ropar (and not too far from cities like Chandigarh) can be strategically beneficial: access to urban infrastructure, industry, and student life, while also having a more peaceful campus.	
16.2	**Weaknesses of the University**	**1 Infrastructure** Though University has enough of infrastructure, yet it requires upgradation and improvement in terms of access to amenities, improved additional hostel facilities with improved food quality and Wi-Fi connectivity. The University authorities are working on to improve the hostel existing facilities and to provide 24x7 wi -fi facility in the hostels. **2 Faculty Training** Faculty members need improvement in their teaching pedagogy and English language skills, which can impact the learning experience. We encourage the teachers to participate in the Faculty Development Programs of other Universities and reimburse the registration fees of FDPs on completion of the course. **3 Placement Records** As the university is relatively new (established in 2021), it has to work on placement activities. we promise 100% placement assistance and has

		collaborations with industry partners like IBM etc **4 Course Curriculum** Some students have recommended updating the curriculum to make it more industry-relevant and AI-focused. Administrative Delays There have been reports of slow processing of documents and administrative issues Limited Sports and Cultural Events The university has conducted fewer sports events and more technical functions, which may not cater to diverse student interests.However with a separate of new school of sports , we are in the process to overcome this weakness. **5 Location** The university's location, outside the city, may be inconvenient for some students but the facility of Transport has helped students and employees to reach in time to the campus. **6 Under Utilization of Land**: LTSU has huge chunk of land spread over 100 acres in the most eco-friendly environment but so far, whole of the land has not been put into use for want of capital expenditure. Only 25% of the total area is buildup. The University is only two years old and is self- financing, it is obvious that it will take some time for generating resources and give a shape that has been envisaged in the planned document of the University. **7Shortage for National/International Work Force**: The University continues to actively seek highly qualified professionals in the domain of Future Skills, both at the national and international levels. However, despite sustained efforts, the available talent pool has not yet met the expectations of the University and its anchor partners.

		8 **Synchronization with SME from Industry**: The university is heavily dependent upon Subject Matter Expert (SME) from industry partners. Due to their diverse timings, University has to compromise with the time table and timings of the classes. 9 **Growing Stage of Research and Publications** As the University primarily focuses on skilling and vocational education, research and publication activities are currently in a developmental phase. While practical and industry-aligned training has been prioritized, the emphasis on academic research and scholarly output has not yet received the level of attention or resources required for significant growth. Strengthening research culture, faculty engagement in scholarly work, and infrastructure to support publications are areas that need strategic development to align with the evolving goals of higher education excellence

Subject: **Appointment as Ombudsman for Redressal of Students of Lamrin Tech Skills University, Punjab.**

Dear Sir,

The University authorities are pleased to appoint you as Ombudsman for Redressal of Students of Lamrin Tech Skills University, Punjab as per the guidelines of UGC, New Delhi w.e.f. 01/07/2023.

Your appointment shall be for a period of three years or until you attain the age of Seventy years, whichever is earlier, from the date of assuming office and shall be eligible for re-appointment for another one term.

You shall not at the time of appointment, during one year before appointment or in the course of your tenure as Ombudsman, be in conflict of interest with LTSU, where your personal relationship, professional affiliation or financial interest may compromise or reasonably appear to compromise, the independence of judgment towards the university.

You shall hear appeals from an aggrieved student, only after the student has availed all other remedies provided under prescribed regulation.

For conducting the hearings, you shall be paid a sitting fee per diem, in accordance with the university norms and shall be eligible for reimbursement of the expenditure incurred on conveyance. The University has right to remove the Ombudsman from office on charges of proven misconduct or misbehavior.

With Profound Regards,

Yours Sincerely,
12/07/2023

Guidelines to Conduct Practical Examination under Continuous Evaluation System

(i) The Dean/Head of the Schools prepares a date and time schedule for practical examinations for each semester of all the Programs.

(ii) The batch-wise schedule is based on University Roll Number of the Students.

(iii) Duration of the practical is of three hours.

(iv) Practical examination is be conducted in two shifts in a day.

(v) The structure and nature of practical examinations maintains a balance in terms of assessing knowledge, abilities and skills as per Bloom's Taxonomy Framework. Care is taken to aligned it to assess the competencies identified as per course objectives.

(vi) The learning outcomes is tested during practical examinations including:

- *a)* Remembering (recalling from the memory of the previous learning material)
- *b)* Understanding (explaining ideas or concepts)
- *c)* Application skills (using the information in other familiar situation)
- *d)* Analytical ability (Breaking information into parts to explore relationships)
- *e)* Evaluative ability (justifying a decision or course of action)
- *f)* Creative skills (generating new ideas, products or new ways of viewing things)

(vii) The practical examination is conducted by one external examiner (appointed by the Vice-Chancellor through the Controller of Examinations on the recommendation of Dean/Head) and one internal examiner (appointed by the Dean/Head from amongst the faculty).

(viii) The Appointment letter to the external examiners is issued by the Controller of Examinations.

(ix) There are two internal examiners for a given batch. However, both the examiners can be external.

(x) No practical examination is conducted in the absence of an external examiner. The examination is postponed in such cases, in consultation with the Controller of Examinations and the students are intimated accordingly.

(xi) Dean/Head of respective School's is the Chief-Coordinator for the Practical Examinations.

(xii) Other examination personnel includes the External Examiner, Internal Examiner and Lab Assistants.

(xiii) The Internal Examiner is responsible to ensure the complete readiness of the lab for the respective practical examination.

(xiv) No students is allowed for the examination without their prescribed Practical records certified by the Staff in-charge and certificate of attendance for at least 75 per cent attendance in practical sessions.

(xv) Separate attendance record of students is maintained during the Practical Examinations.

(xvi) All record including answer sheets are preserved for a Period of One Year.

Continuous Internal Evaluation System

As envisioned in the National Educational Policy, 2020 the system of evaluation and assessment at LTSU is based on continuous and comprehensive evaluation rather than high-stake examination. To make this system fairer and comparable, the university has adopted criterion- based grading system that assesses achievement of a learner on the basis of learning goals for each Course.

EVALUATION SCHEME

There is proper mapping between the system of evaluation and assessment and Program outcomes, whereby, the skills, knowledge and abilities of learner is assessed at each successive level of Programme. The question papers are designed to assess higher-order Abilities, Skills and knowledge by applying Bloom's Taxonomy Framework.

The components of evaluation during a semester along with their weightage followed by LTSU are as under:

Components	Criterion for evaluation	Marks
Component 1 (Average)	Mid Semester Test 1	25
	Mid Semester Test 2	25
Component 2	Continuous Evaluation based on Assignments/ Projects/ Viva/ Lab course etc.	20
	Weightage for Attendance	05
Component 3	End Term Examinations	50
Total Marks		**100**

The two Mid Semester Tests are conducted during a semester. These tests cover the prescribed syllabi which is notified to the students at commencement of the Semester.

Date sheet for the Sessional Tests is communicated to the students at least 10 days before the conduct of examinations. The schedule for Sessional Tests and End Term Exams is communicated in the Academic Calendar. There is provision of retest before the End Semester Exam for the slow learners with approval of V.C./ Registrar.

Two sets of a question paper of MST is set for each course by the teacher from within the University. Utmost secrecy will be maintained in this process. LTSU adopts very transparent process of evaluation. The evaluated answer sheets of Sessional Tests, assignment/project, are discussed with the students.

The LTSU has adopted separation of educator and evaluator in the process of internal evaluation particularly in terms of presentations. A student is assessed for the presentation of the project work by an expert other than the teacher who is teaching the course.

End Semester Exams for each course/paper covers the whole syllabus for one semester carrying uniform distribution of contents. The student must attain 40% marks for Theory Paper and 50% marks for Practical Papers to clear a particular course. At the end of each semester, the student is issued Grade Card indicating the grades secured.

No student will be eligible to appear in End Term Exams if he/she does not meet the condition of minimum 75 % attendance in all Theory and Practical Classes with minimum marks in Sessional Tests. The COE will not issue the Admit Card in case of any default.

The detailed information regarding rules and regulations for examinations is communicated to students beforehand.

Two sets of Question Papers for End Term Examination are framed for each course by an Expert / Teacher from a panel of three experts outside the University with minimum three years of experience.

The question papers in the End Semester Exams are well balanced, consisting of various difficulty levels to accommodate different capabilities of students. The nature of questions is balanced in terms of assessing knowledge, abilities and skills as per Bloom's Framework.
The question papers are opened by Centre Superintendent in the presence of Controller of Examinations / nominee of COE. Utmost secrecy will be maintained in this process.

Evaluation of answer sheets of End Semester Examinations are carried out under the supervision of Controller of Examinations and Examination Team in a central evaluation center. Coding and Decoding of answer sheets is adopted to maintain confidentiality and objectivity in evaluation process. The answer sheets have defined number of pages. The COE adopts the principle of quick collection and sealing of answer sheets which are kept in the strong room with restricted entry. The areas used for conduct of examinations is under CCTV surveillance.

Enclosure 13

NRI and Overseas Policy

The objectives of the admission policy of the University with regard to NRI and Overseas students is:

1. To facilitate a smooth and simple admission of international students in Lamrin Tech Skills University.
2. To create a favourable environment for attracting international students to Indian higher education system in the University.
3. To make India in general and LTSU in particular, a preferred destination for international students.

- Internationalisation of higher education is the process of integrating an international and intercultural dimension in higher education. The University shall provide opportunities to international students for admission to them in the various courses/ programmes in all the schools and study centres of the University as per guidelines of University Grants Commission. International students in this context shall be defined as the one who shall possess a foreign passport.

- The University shall admit international students based on the equivalence of entry qualification held by them. The equivalence is to be determined by the University Grants Commission (UGC) or any other body recognised by UGC for such purpose or the concerned regulatory bodies of the country.
- The University shall create 25% supernumerary seats for international students, over and above of University's total sanctioned enrolment for Certification, Diploma, Undergraduate and Postgraduate programmes.
- The 25% of the supernumerary seats for international students will not include the international students under exchange programmes or /and through Memorandum of Understanding (MoU) between the university or between Government of India and other countries.
- The University shall distribute all 25% seats to all departments and Schools as per availability of infrastructure and qualified faculty.
- If a seat remains unfilled in the supernumerary category, it shall be allocated to anyone other than an international student as per the rules and regulations of the University prescribed from time to time.
- Supernumerary seats for Ph.D. programmes shall be governed by the Regulations notified by the University Grants Commission from time to time in this regard.
- The provision of creating supernumerary seats for international students should be formalized by way of approval of statutory body/bodies of the University in accordance with the guidelines/regulations issued by the regulatory bodies from

- The University has an 'Office for International Students'. In this office Year-wise details, i.e., country, number, programme/subject, duration etc., regarding the international students in the University shall be maintained and the same shall be made available on official website.
- The students should share the scan copy of Academic transcripts to check the eligibility for the admission in the programme of the university.
- The evaluation of copy of the academic transcripts is done with the bench mark process As laid down as per the provision of equivalence for foreign degrees.
- An offer letter is issued to the students with all the details of the program, fee structure and prospectus. After the payment of provisional admission fee by the students in the university Account, an acceptance letter is issued to the students for final confirmation of admission.
- The students can use this admission letter, original academic transcripts and certificates to apply for study visa in the nearby Indian Embassy. The original documents of the students will be verified at the reporting time.
- The Registration of international students admitted will be enrolled in Foreign Regional Registration Office (FRRO) by the university within fortnight of their arrival in University.

The final verification of the original certificates and academic transcript will be done by the respective School/Department in the University. The students will be then admitted as per the admission policy of the University.

5	**Note on Developments since last meeting of Governing Body meeting held on 9th May,2025**	Mr Nirmal Singh Rayat Chairman of RERT and Chancellor of LTSU briefed the members of the Governing Body about the developments that took place in recent months and are described as under: 1. The LTSU was established by RERT and had appointed Mr Sandeep Singh Kaura as the Chairman of the Trust and in that capacity he was given the charge of the Lamrin Tech Skills University as the Chancellor as per the clause of the Punjab Legislative Act No 22 of the 2021. 2. Prior to taking over as the Chancellor, Mr Kaura was working as MD of RB group of institutions run by RERT.I ,the then Chairman of RERT had entrusted the task of preparing the project proposal for the establishing the Lamrin Tech Skills University and the Trust had empowered him to represent the trust in all the dealings with the State Government and also for presenting the case for establishment of the LTSU in the meetings held with the officials of the Government and other related statutory bodies. All the documents were prepared by Mr Sandeep Singh Kaura for submitting to the State Government. I am a UK citizen, blindly trusted Mr Kaura and accepted all actions in good faith that were needed in the process of formation of the LTSU. 3. Mr Sandeep Singh Kaura has misused his position as the Chancellor and has acted in breach of the good faith shown in him by me and RERT and also the against the provisions of the act. To mention few, He retained drawing and disbursing(DD) financial powers with him without the consent of Governing Body and diverted funds of the university to his own account/his firms account to the tune of 13.46 crores. Besides, he also misused funds to the tune of 36 crores during his tenure. The matter has already been brought to the knowledge of SSP Nawanshahr for investigation and appropriate action as per law of land. (Copy of complaint to police is attached.

		Mr Kaura paid salary to his wife amounting to 84 lakhs which is against the law. As per law relating to educational trusts, no member of the Trust can give salary to his family member. This also amounts to diversion of funds. Mr Kaura appointed persons in various high positions without taking any prior consent from the Governing Body. Majority these appointments were against the financial discipline and the needs of the University. The procedure, that is required as per UGC, was also not followed for appointments of three PVC Pro Chancellor, Registrar and many others. Mr Kaura initiated many such actions that were illegitimate and has pushed the LTSU to many legal litigations. Instead of depositing statutory deductions in related to employees and salaries to employees, he diverted funds to his own account. He purchased land in his own name by misleading the parties and using the funds of the university. Mr Kaura entered into numerous MOU's with corporate sector and majority of these lapsed without any beginning as Mr Kaura failed to meet the commitments that he had promised while signing the MOU's On getting the information of financial and administrative bungling ,RERT removed him from the position of the Chairman and appointed a committee to go into the details. The Trust called a meeting on 22nd July to discuss and provide him the detail information about Bungling done by Mr Kaura .But he abstained and as such RERT removed him from the membership of RERT. He filed a case in the honorable Punjab and Haryana High Court for seeking the stay on the proceedings of the RERT meeting but he could not get stay orders and the case is pending in the Honorable High court. I assumed the charge as the Chancellor by the virtue of operation of the University Act. I would further like to state that while acting in such a manner, I have done everything according to the Act of the University and with best interest of the University.

		A communication in this regard has already been sent to His Excellency, the Governor of Punjab who is also the Visitor of the University. Mr Kaura tried his level best to destabilization the university by involving in various acts and allegations but in a way he was exposing himself as all those acts were his own deeds. The instability that has been caused by the action of Mr Kaura was short-lived and the campus has returned to normal working. As the Chancellor of the University, it is my duty to inform the members of the GOVERNING BODY about all these events and seek direction from the members for the future course of action.
6	**Any Other Agenda**	Mr. Vineet Nanda, Chairman, Regional Urban Infra Committee at FICCI thanked and congratulated the Mr Nirmal Singh Rayat Hon'ble Chancellor LTSU Punjab for taking initiative to start a skill University. He mentioned that he is committed to restart RESEED program with LTSU Punjab. He also asserted that, his organisation is always ready to help LTSU Punjab in making youth of India Skilled. He also explained the all fake commitment made by Mr Sandeep Singh Kaura Mr. Vineet Nanda ensured that Mr. Rayat become the name for Education to the students but during the tenure of Mr. Kaura and mentioned and highlighted clearly that the NSDC Funding to LTSU Punjab was documented only Dr. Kamaljeet Singh Soi suggested to recover the financial and ethical position of the university. He added and boosted the moral to expand the wings of the university with head on, to utilize the links from the govt and Corporate sectors, to introduce skills utilize the credibility of the university for the benefit of the students. He added that to move forward with intent and to set example by punishing the past culprit and also desired for the in person meeting in coming time.. Mr Deepak Wasan executive director NIELIT Deemed to be university asserted that he is willing to go forward with theCollaboration of LTSU and these joint program can easily fetch funds from Government and from other stake holders

		Mr. Vimal Manhotra, CEO LTSU Punjab discussed the LTSU budget for upcoming year in details . He also explained about the infrastructure development plan including the constructions of new blocks and upgrading of existing buildings. Dr Ashutoush Sharma also introduced the various courses those are going to start in University School of Commerce and Management Dr NS Gill also mentioned their upcoming initiatives. Dr VK Saini, DSW LTSU Punjab suggested to maintain outdoor discipline during the first half of the Working day. He also added that each Dean must take round in the campus
7	**Appointments and Other Actions Taken after Third BOG, 9th May 2025**	The Governing Body approved the orders of the sub-committee to give Independent additional charge as Deputy Dean (R&D Department and PhD program) to Dr Vikramjit Kaur.
		The Governing Body approved the appointment of Dr B S Satyal as the Registrar of the University.
		The Governing Body approved the orders of the honorable Chancellor through which he had canceled the EOL of the Dr Arvinder Singh Chawla and had advised him to return to his position as VC.
		The Governing Body ratified the action of the honorable Chancellor of accepting the reply of the VC and the Registrar in response to the show cause notice issued to them for their involvement in wrong appointment of Dr Parvinder Kaur as PVC in 2023. Dr Parvinder Kaur had been appointed PVC in violation of UGC norms. She had completed PhD in 2022 and had never worked in the scale of Professor nor she had requisite experience as per UGC guidelines. In response to show cause, the VC and the Registrar has submitted the response in which it is mentioned that Mr

		Kaura had used undue influence to carry out the task and that they cannot be held personally responsible. The honorable Chancellor has accepted their plea with a caution that such act should not happen in future.
		The Governing Body granted approval to initiate recovery process for an amount of 84 lacs (approximately) that was paid as salary by Mr Sandeep Singh Kaura, Chairman of the trust to his wife which is not permitted in the bye-laws of the trust and is treated as the diversion of trust funds.
		The Governing Body approved the recommendation of the committee constituted by the Chancellor through which names have been recommended to appoint Mr P K Verma as Director HR and Dr Jagpal Singh Rana as Deputy Registrar(General Administration and Statutory Compliance including Hostel administration)
		The Governing approved the orders of the Chancellor through which has designated Mr Vimal Manhotra as CEO and has appointed Ms Mandeep Kaur as Deputy Director and Ms Nikhita as coordinator of Government Projects.
