## About the Event

Lamrin Tech Skills University (LTSU), Punjab is India's first industry incubated skills university, built with a mission to empower youth with future-ready employability skills. Recognized as a university "of" the industry, "for" the industry, and "by" the industry, LTSU collaborates with leading global tech giants to co-create curriculum, ensuring students are industry-ready from day one. With a strong focus on skill-based learning, students are mentored by top industry experts and seasoned academicians, bridging the gap between education and real-world requirements.

To further strengthen its vision of a skilled India, LTSU is organizing the Yuva Kaushal Utsav 2026 - a dynamic platform that will bring together students, industry leaders, innovators, and enthusiasts. The event aims to celebrate the power of skills, technology, and innovation, showcasing future opportunities and inspiring the next generation of tech talent.
